Certificate of Internship

This is to certify that **NEHA PRASANAN**, 4th semester student of **B. Tech Computer Science and Engineering, Toc H Institute of Science and Technology, Arakkunnam**, has successfully completed Internship in **AI Product Development** conducted by **ProSEED**, the training and upskilling division of **Freston Analytics Pvt. Ltd.** The internship focused on key areas of artificial intelligence and machine learning, providing hands-on experience and project-based learning.

The key areas covered during the program was

- Introduction to ML and EDA
- Introduction to neural network
- Advanced AI applications like object detection with OpenCV, introduction to Natural Language Processing (NLP) and Large Language Models (LLMs), basic NLP with transformers in Python
- Project development and system design including project planning and architecture, backend development using Flask and SQL databases, API integration and frontend development
- Product testing and local deployment and introduction to real-world deployment microservices, containerization, data pipelines, CI/CD.

The program was conducted from 26 June 2024 to 25 July 2024 in hybrid mode.

We commend **NEHA PRASANAN** for their dedication and outstanding performance and wish her success in her future endeavours.
